

Syracuse Behavioral Healthcare Job Posting

Position: LPN (Full Time/Part Time/Per Diem)

Location: Syracuse, NY

Qualifications: Licensed practical nurse currently registered by the New York State Education Department
Experience and or training in the treatment of substance abuse and/or substance dependency preferred
Basic computer skills required

Job Description:

This position works in a variety of clinical settings providing medical and counseling services as a member of the multi-disciplinary treatment team. Provide client services for medical and health related issues. Monitors and documents clients' medical status, signs and symptoms of withdrawal and reports to supervisor or medical director. Work with other medical staff for continuity of client medical care. Communicate with clinical staff regarding client's medical concerns. Work directly with clients in providing medical services and interpreting medical information. Provide direct client care of medical assessment, implementation of medical orders, communicable and infectious disease reporting in accordance with the law. Provide public health and screening protocols. Provide and document medical consultation, assessment, examination, and treatment planning and review consistent with agency policy and requirements.
